Brick Walkway Update

We exceeded our goal of 178 Engraved Bricks by 24. This brings the project contribution to the Discernment Fund from \$15,000 to \$17,000 depending on the cost to install the walkway.

The Brick Team thanks the congregation for their continual support of this project; without it there would not have been a project. We will make some minor modifications to the walkway layout to accommodate the additional 24 bricks and continue our search to find a suitable brick layer.
